Deputy Supervisor wants the job!

Bill Swafford, a resident of the Littlejohn Road, South Colton, is making a bid to become the Town of Colton's Supervisor. He is a retired Navy Master Chief (E9) who served his country for 30 years. Swafford is the grandson of "Rob" Neil, with whom he spent many "growing up" years just up the road from his current home.

Swafford has been Deputy Supervisor for 4 years and on the Council for nearly 8 years. He's been leading the Town since May 1st of this year when he accepted the challenging leadership role of Supervisor. He asks for your vote so that he can continue his work.

A short list of his accomplishments as your Councilman include saving the Town \$14,000

when the Town sprayed for caterpillars this spring; establishing and updating Colton's first FIVE YEAR PLAN for the future, working closely and cooperatively with all department heads; listening to the citizens of Colton when determining how to spend the MILLION DOLLAR GRANT, giving full support for major improvements to Swift Field and the outdoor rink in South Colton; serving as a charter member of the Racquette River Corridor Project, a blue water trail for all outdoor enthusiasts that will bring business to our Town; continuing to work with all groups involved to bring about the best resolution possible for ATVers and Colton's citizens; and as long as the uniform fits, he'll be marching in the Memorial Day Parade!

Swafford is confident that his years of leadership experience gained in the Navy and while serving on the Town Council as its current Deputy Supervisor will enable him to continue making significant and worthwhile contributions to the Town of Colton and its citizens. He asks for your support in the Primary Election on September 18 and your vote on Election Day, November 6, 2007.
