

For Zelinski

To The Editor:

Seldom have I had a chance to endorse a local candidate with such enthusiasm as I have now to recommend to all Colton voters to cast their ballot for Joe Zelinski, candidate for Town of Councilman.

During the 20 years I've known Joe, I have had plenty of opportunities to witness his fairness, his forthrightness, and his integrity. As the former Colton-Pierrepoint High School Principal, Joe never backed away from tough issues and never capitulated to the pressures of those who thought special interests should prevail.

Joe will bring to the Colton Town Board his capabilities to work with all residents regardless of age or income, and to construct and manage fiscally sound and efficient budgets. His willingness to reserve judgment until all facets of complex issues are explored will help the Board reach decisions that will accomplish the most good with the least financial impact for the long term benefit of the community.

To help your town, Colton residents, I urge you to vote for Joe Zelinski on Nov. 8.

Joyce J. Monroe
